Education Assistant and Community Support Certificate Program

Program:

The Education Assistant and Community Support Program includes both theoretical studies and practical applications for working with people who have disabilities, across the lifespan. The courses provide students with the skills and knowledge to work as an Educational Assistant in schools and as a Support Worker in community settings with people who have disabilities. <http://www.pr.viu.ca/eacs>

Start Date:

Applications are now being accepted for January 2018. An individual education plan will be developed with the program coordinator.

Accessible Program Delivery:

The Education Assistant and Community Support courses are offered in our innovative blended delivery format that includes both face to face classes and online studies.

The face to face portion requires students to attend classes in beautiful Powell River for 2-4 days in a row, twice each semester. Transportation from the ferry to the campus is available. Online studies include completing modules in an online classroom as well as participation in real time webinars.

The program is student loan eligible and can be taken part-time or full-time. Blended delivery makes the certificate accessible to:

- ☺ students who have family responsibilities or other personal commitments;
- ☺ students living outside the Powell River region;
- ☺ students who are working.

Leadership and Disability Studies Diploma:

The Education Assistant and Community Support program provides 30 of the 60 credits needed to complete the Leadership and Disability Studies Diploma. This diploma is a pathway to numerous degrees. Learn more here.

Admission Requirements:

- ◆ VIU's general admission requirements apply
- ◆ English 12 with a min "C" grade, or equivalent
- ◆ Resume, application, and cover letter
- ◆ Two Reference Letters
- ◆ Successful interview with Coordinator

Notes on Admission:

- ◆ Applicants will be assessed on past academic achievement, related volunteer/paid employment, writing skills, and performance at an interview with faculty
- ◆ Applicants may be required to provide a letter from their physician attesting to the applicant's physical suitability to take the program
- ◆ Practica will require a criminal record check prior to placement. Students are advised that a criminal record may limit their practicum possibilities and their work opportunities in this field
- ◆ Some practica may also require a TB screening test
- ◆ Acceptance into the program does not mean that students will be placed into the practica.

Transfer Credit:

VIU recognizes the academic knowledge and achievements of students who have undertaken post-secondary studies at other colleges, institutes, or universities. Credit is assigned on the basis of an official transcript, course outlines, and other supporting documentation. Transfer students must meet all of VIU's admission requirements.

Prior Learning Assessment (PLA)

A prior learning assessment offers students with substantial work experience and/or professional development the opportunity to receive full or partial credit for courses. Under the supervision of an instructor, students develop a portfolio demonstrating how they meet the course learning objectives.
